# Decora S

Decora S, the latest in our line of products, is manufactured to satisfy the most demanding flooring design requirements.

**Construction:** virgin rubber top layer with recycled rubber base  
**Face Style:** solid color with 10% accent speckles  
**Face Finish:** dimpled hammer-tone texture  
**Total Weight:** 21 lbs per tile  
**Thickness:** 8mm (5/16")  
**Widths:** 900mm (not quite 35.5")  
**Lengths:** 900mm (not quite 35.5")

These attractive rubber tiles have a solid color with 10% accent speckle top finish, and a dimpled "hammer-tone" texture making them resilient and slip resistant. A virgin rubber top layer vulcanized to a recycled bottom layer makes Decora S durable, safe quiet and easy to maintain. Choose Decora S for style and function, because it will perform great for years to come.

**Tough &  
Great Looking!**

**Decora S tiles available in  
standard square edge,  
or interlocking format!**
