Helping Take the Work **OUT** of Workout!

The CYBEX Personal Entertainment Monitors provide an elegant and integrated solution to your members entertainment needs. The large 15" display provides exceptional viewing quality and angle and is specifically designed to meet the demands of fitness

applications. This integrated design includes on-display controls that are placed where they are easy to reach and eliminate bulky external controllers. Special "speed scrolling" makes channel selection fast and simple, alleviating the clutter of an additional keypad.

Channel up/down
Headphone Jack
Volume up/down

The Entertainment System includes:

- The base product with dedicated mount
- High performance 15" monitor (supports NTSC and PAL signal and multiple power formats)
- Internal power and video cabling
- Remote control (used only for set up)
- On-display controls
- Replaceable headphone jack

Available for:

- **Treadmills**—LCX-425T, CX-445T, Sport+ and Pro+
- **Cycles**—Cyclone-C and Cyclone-R
- **Stepper**—Cyclone-S
